## Ten Liquor Licenses To Remain The Limit in Arlington Heights

### Board Considers Audit of Funds in Three Hour Session Monday Night

The board of trustees of the Village of Arlington Heights had a busy and lengthy session Monday night. Among the many matters under consideration was the annual audit for which two outside firms have submitted bids. During the discussion Trustee Krause inquired of E. F. Laurin the details regarding the overpayment in interest that was made to the big sewer contractor. Mr. Laurin gave the following facts:

A voucher covering the balance due Spencer, White & Prentiss on its contract was issued April 4, 1931, in the amount of \$242,877.23. A partial payment of \$192,500.00 in bonds and \$377.23 in cash was made on account of this voucher on May 4, 1931. The balance of this voucher together with an additional award of \$18,498.30 was paid on December 7, 1934, at which time the accrual of interest on the partial payment of bonds was not considered.

The last audit of the Village records cover up to September 30, 1934. An audit of the Village records for the period after September 30, 1934, would naturally take up this transaction and reveal the overpayment. The overpayment was uncovered now because of the fact that Spencer, White & Prentiss are having a monthly audit made of the big sewer accounts for their own information, and the audit for the month of December, 1934, naturally picked up this transaction.

"No blame should accrue to the Village Treasurer, since this transaction was started through a former Treasurer and in the customary method of handling such vouchers, he would have no reason to consider such interest accrual."

Mr. Laurin offered a bid of \$350 for auditing the books of the village for the period since the audit of last fall to the end of the fiscal year. The prices of the two other auditing firms were higher. Definite action will be taken June 17.

### Brisk Sale of Vehicle Tags

The report of the police department showed a brisk sale of vehicle tags. Through the use of courtesy cards the licenses issued up to June 3 totaled 759 passenger cars and 66 trucks. Dog licenses now total 96. Dreyer Electric Co. has promised that the new traffic control box would be in place within the next few days. Chairman Schneberger reported that regular police stars had been issued to Frank Gieseke and Ira Melbourne and special police stars to Messrs. Whittemore, Heimstom, Conger, Martens, Rehling and Landeck, which action was approved by the board. Announcement of other special police will be made at the next meeting of the board.

The water department reported the collection of \$265.51 in delinquent water rentals since the last meeting of the board.

The report of engineer of the treatment works reveals that there is very little pollution. The finance committee recommended for payment bills totaling \$1549.53.

A letter was read from a security firm, calling attention to the fact that delinquent general bonds of the village can be refunded and offering their services in the matter. No action was taken.

Permission was granted for a flower tag day on June 15 for the benefit of the blind.

Attorney Thal read letters from the PWA regarding bonds that were to be cancelled as part of the additional grant due to the village.

Approval was given to payment of a \$1500 engineer's estimate for work on West Campbell street roadway.

At an adjourned meeting held Tuesday evening and attended by a representative of the Arlington jockey club an agreement was entered into regarding the treatment of sewage from the race track for a period of years. The yearly payment will be much greater than originally suggested and has a sliding scale, from \$2,000 a race season down to \$500.

All construction work will be done with the approval of the village engineer at no expense to the village.

### Many Move to New Homes at Arlington

May has been a big moving month in Arlington Heights. Changes in addresses and new residents are as follows:

Alfred Gosch from North Dunton to 629 S. Highland.

Chas. Othmer to 210 So. State road.

Math. Reiffert to 124 So. State road.

W. N. Bush to Elmhurst, Ill.

Fred L. Wallace from Scarsdale to Vail-Davis bldg.

Max Renspie to 1004 N. Mitchell.

Fred Shield, 629 So. Highland.

Arthur Geiffert to 921 N. Highland.

Ray Chambers to 920 N. Prince-

ton, Arlington Park.

Willard Voss, So. Vail.

F. J. Lama to 211 Carlisle Place.

### Mayor Flentie Casts The Deciding Vote

The village of Arlington Heights in a tie vote, with Mayor Flentie voting no, refused Monday night to lift the lid in the number of liquor licenses. Mr. Watson, owner of the building, operated as Rose-Lo-Inn, made a plea to the board that a license be granted to his tenant for the sale of liquor altho the present ordinance limits the number in the village to ten, all of which have been previously issued.

Mayor Flentie, as liquor commissioner, early stated his opposition to an increase in the number of taverns, holding that present license holders paid their 1935 fee in the belief that there would be no more than ten. Mr. Flentie explained that he and the previous board, by the passage of the present ordinance, had entered into a definite contract or promise with the present license holders, who had organized their business and arranged their budgets upon such a basis and that raising the lid would be breaking faith with them. Mr. Flentie also stated that he felt that such action would be against public opinion within the village.

The question was discussed a full half-hour. Trustee Framberg's motion that the present ordinance be upheld was not put to a vote, as there was some question relative to such a motion being in place.

When suggestions were made that a special meeting be held to discuss the matter, trustee Framberg suggested that the question be settled once and for all, then and then, in order that the applicant might know his position. A motion made by trustee Schneberger, that the ordinance be changed to permit the issuance of twelve licenses.

Upon the vote, trustees Burns, Schaefer and Schneberger voted yes; trustees Framberg, Klehm and Krause voted no. Mayor Flentie voted no.

### Fate of Tree Hangs In Balance, When 7th Accident Occurs

#### Anne M. Oah is First Arlington June Bride

Miss Anne M. Oah, eldest daughter of Mr. and Mrs. Alex Oah, 605 So. Highland avenue, has the honor of being the first June bride in Arlington Heights. She was wed Saturday in Des Plaines to Raymond E. Gross, followed by a wedding supper at the home of the groom's parents. Mr. and Mrs. Gross will reside in Chicago. The groom is engaged in business at Edison Park. The bride has the best wishes of Arlington Heights friends.

#### PRAISES ELECTROLUX

I have never seen nor used any equipment that half-way equals or compares with the cleaning ability of the New Electrolux Cleaner and Air Purifier.

I have installed this new service for the particular citizens who hate to sit down in the dirt and filth imbedded in the seats and cushions of their car. And WHO'S car is free from dirt?

Now with the summer season coming on, one wears light clothes, and becomes uncomfortably warm and perspires. That condition, and the needless dirt in your car, make the immaculate appearance of your summer apparel impossible; nor is it healthy to sit in that dirt when the pores of your body are open.

Stop in and see this wonderful new Electrolux Service. It will interest you, as well as enlighten you as to the dirt condition in your car. No car is free of it, so don't let your conscience keep you from availing yourself of my equipment.

Yours very truly,  
OREN NEVILLE  
Arlington Service Station,  
Northwest Hwy. &  
Eastman street.

## Arlington Theater Air Conditioning Plant Ready

Arlington Theatre is being air conditioned. This 500-seat movie house, with this last installation, takes its place in modern equipment with the largest theatres in the middle west. This was the promise that the manager, Bruce Godshaw made when he came to Arlington Heights. He is fulfilling that promise.

Mr. Godshaw has previously installed sound equipment, the equal of that found in the large city theatres, projection machines especially constructed for ease of vision and special equipment for those hard of hearing.

The new ventilating system means that approximately twenty cubic feet of healthy air for each seat will be constantly streamlined into the auditorium. A new 2-inch water line will bring in 65 gallons of 54 temperature water per minute. Copper buffers will waffle and purify the intake which is then passed into 14,000 pounds of chilled aerofined circular alloy coils having a temperature of less than 49 degrees enhanced by a frigid ice bath.

The air is picked up here by a large blower and passed over huge cakes of manufactured ice then over a series of warmed coils to take off the chill and then into pressed wood ducts running the full length of the auditorium on both sides. The purified and cooled air will be distributed through automatically controlled grills and will blow in smoothly and without any disconcerted blasts.

Public Services are bringing in heavier lines for increased voltage. The Arlington Heights new well contributes splendidly to the investment with its exceptionally deep cold temp.

The Electrovant company of Chicago were awarded the contract with the provision made by Mr. Godshaw that all timber and carpenter work must be let to the Arlington Heights people.

Mr. Elle of Electrovant, states that the major work of air distribution should be completed by the week-end and perhaps the refrigeration also. At any event the assured comfort is promised complete by June 12, at the very latest. The Arlington is also taking on spring colors and housecleaning with a new decorative treatment for the auditorium walls as soon as the duct work is completed. When the cooling plant is installed it is safe to conclude that Mr. Godshaw will have spent at least \$5,000 in improving the Arlington Theatre. He asserts that we will go much further in the near future if the bondholders will cooperate in an enlargement plan. Architects have already submitted plans for an added 300 seat or more capacity.

Mr. Godshaw is firmly of the opinion that the next few years will see Arlington Heights growing rapidly in population and business importance and that the Arlington will then need the additional seating capacity.

The present capacity with the exception on big gift night or bar-gain events will suffice for quite a while, but 1938 should see the Ar-

ENVELOPES—We carry any size you want and print them to suit your individual taste. What's more you'll find our prices right. H. C. Paddock & Sons.

## CHURCHES

### FIRST M. E. CHURCH

W. L. Whipple, Minister  
Bible school assembling at ten m. under the direction of Mr. Marvin Prellberg, Supt.

Morning worship at 11 a.m.

Sermon theme is to be "Per-

fume."

The Children's Day program will be postponed until the fourth Sunday of the month or June 23.

A very good program is in progress. On account of the cool spring the annual picnic will be given this year in July. The swimming pool being one of the great attractions at Des Plaines Camp ground, warm weather will be sought. The date and arrangements will be announced later.

### PRESBYTERIAN CHURCH NOTES

Sunday school 9:45 a.m.  
Morning worship 11 a.m.

The annual Children's Day exercises of the Sunday school will be held in the Parish House Sunday morning at 10:30 o'clock.

Children will be baptized at this service.

A cordial invitation is extended to all to come and worship with us.

### ST. JOHN'S CHURCH

Rev. M. L. Straube, Pastor  
St. James & Evergreen St.  
Hours of Worship

Sunday school, 9:30 a.m.

English service 10:30 a.m.

### CHRISTIAN SCIENCE CHURCHES

"Ancient and modern Necromancy" alias Mesmerism and Hypnotism, Denounced," was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 2.

The Golden Text was "When the wicked spring as the grass, and when all the workers of iniquity do flourish; it is that they shall be destroyed for ever" (Psalms 9:7).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn. This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord" (Isaiah 54:17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We should become more familiar with good than with evil, and guard against false beliefs as watchfully as we bar our doors against the approach of thieves and murderers. Evil thoughts and aims reach no farther and do no more harm than one's belief permits. Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspecting lodgment, if virtue and truth build a strong defense" (pp. 234-235).

The present capacity with the exception on big gift night or bar-gain events will suffice for quite a while, but 1938 should see the Ar-

## WHEN LIVES ARE AT STAKE

You need the same protection that race drivers demand

**KELLY PETILLO ON MAY 30, WON**  
the 500-Mile Indianapolis Race on Firestone Tires, breaking the track record and driving the entire distance at a rate of 106.24 miles per hour.

This record is an outstanding demonstration of tire efficiency. To go 500 miles in less than five hours on this rough and bumpy 26-year-old brick track, without tire trouble of any kind, demonstrates the strength and blowout protection that Firestone builds into their Gum-Dipped Tires.

**AB JENKINS ALSO RECENTLY**  
demonstrated the stamina, efficiency, and

Before you buy new tires ask yourself these three questions

**1—"Will the tread give me the greatest traction and protection against skidding?"**

**2—"Are they built to give me the greatest blowout protection?"**

**3—"Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"**

Volume—Direct Purchasing—Straight Line Manufacturing and Efficient and Economical System of Distributing to our 500 Stores and to 30,000 Dealers, enables Firestone to give you greater values at lowest prices

H. L. Hagenbring Is Appointed Sup. Deputy W. O. S. of Northern Ill.

The appointment of Henry Hagenbring, P. W. O. S. as supreme deputy for Northern Illinois of the Order, White Shrine of Jerusalem was officially announced at the meeting of Arimathea Shrine at Des Plaines.

It is the first time in the history of the Shrine that an important supreme appointment has been bestowed upon one of its members.

Arimathea, proud of this Soj. so honored, gave a splendid reception for Soj. Henry Hagenbring at Corinthian Hall, Des Plaines.

A reception for his wife, Agnes, the new W. H. P. and Supreme Matron of Honor and Soj. Emery Wagner, the new W. O. S. and Supreme King's guard was also held at that time.

Distinguished visitors attending this reception were notably Soj. Jean Haines Terry P. S. W. H. P. and Soj. Jos. E. Boyle, P. S. W. O. S. who paid a surprise visit and Soj. Veta Olson, P. W. H. P. of Mata Natha, who was elected supreme Worthy Guide at the Cleveland convention.

The officers were complimented on their splendid work by Soj. Veta Olson, S. W. G.

Dainty refreshments were served at the close of the meeting. At the next meeting, June 12, a banquet will be served at 6 o'clock in honor of Supreme W. H. P. Rose M. Reid, followed by a ceremonial.

The tickets for the banquet are 50 cents. Reservations must be made not later than June 10 with Soj. Blanche Niehaus, Tel. Des P. 675-W.

DO PEOPLE KNOW where to find their particular type of service? Tell them through these columns. A want ad. costs very little.

## ALGONQUIN CUBS DOWN RED WINGS ON HOME FIELD

Meyer charged with 6-4 defeat; Colored Nine Will Play at Arlington Sunday.

Sunday the Algonquin Cubs nosed out the Arlington Red Wings 6-4. W. Meyer is charged with his first defeat of the season, he being located by Diederich in the sixth inning. Meyer pitched a nice game, but Algonquin bunched their hits in the third and sixth innings for five runs which meant victory for them. From that point on Dietrich allowed but four hits on which one run scored.

The Red Wings seemed too anxious when batting and were putting up lazy fly balls which were easily taken care of by the fielders despite the strong wind that was blowing from the southwest. The hits by Algonquin were made when they were needed to drive a runner around the bases, and some of these were of the Texas League nature. Only one of the errors made by the Red Wings cost the team a run, and that was the sixth and final run made by the Cubs.

Next Sunday, the Red Wings will play Peters Union Giants at the Red Wing Ball park. This team is made up of colored men and is the best yet of all teams to play at the south side park. These players have a strong reputation.

CHICAGO PIANIST OPENS CLASS HERE

Leonard Gay, young Chicago pianist and teacher, is opening a music class in Arlington Heights this summer. Mr. Gay received his musical education in Chicago under Rudolph Ganz and Edward Collins, has won numerous scholarships, and a grand piano as prize, playing with the Minneapolis Symphony Orchestra; also has toured as concert pianist. Mr. Gay has appeared on a number of programs here as piano soloist and as Mrs. Miles' accompanist.

For appointments and information, telephone Mrs. Miles at Arlington Heights 707 or write Mr. Gay at 913 Irving Park boulevard, Chicago, Ill.

DO YOU HAVE A RUSH printing order? Just tell us about it and we'll get it out promptly. It will be the kind of job you planned on too, and reasonably priced. H. C. Paddock & Sons.

## Golfing About with Gerald A. McElroy

The course I wish to comment on this week is the Bartlett Hills, 18 hole daily fee club located just off Lake Street (U. S. 20) a little west of the town of Bartlett.

Manager E. H. Goes told me I had picked a rather bad day to play because the rain and hot weather had brought all the dandelions into bloom though they were cut rather close. We found that his statements were true but did enjoy a good 18 holes of golfing. Bartlett is very hilly and the grass is none too thick on the fairways. Last year's drought killed much of it but did not phase the dandelions. We found the last nine to be in much the best condition.

The greens at Bartlett are constructed in a unique manner. Manager Goes told me that they had everything but no trump. The greens are shaped like hearts, diamonds, clubs and spades. There is even one that is a six pointed star. Hole number 5 proved to be joker for me though. I dubbed the first three shots and then sank a 40 yard mashie shot for a par. The hole that got me down though was the par 3 fourteenth where I emerged with a seven. Had made pars on both short holes prior to that one.

My only criticism of the greens was that some were clipped much shorter than others and the fuzzy ones played havoc with one's putting. All in all the course is an interesting one and if in the vicinity I suggest that you try it out. No doubt it is in much better shape now than when I played it.

### Glenbard Is Champ

Piling on 44½ points, Glenbard high school's track team won the West Suburban championship. York high of Elmhurst was second with 40½ points followed by Hinsdale, 18; LaGrange, 14½; Maine of Des Plaines, 14½; West Chicago, 12½; Downers Grove, 7; Riverside, 2½.

### Lombard Sprinter

Bobby Grieve of Lombard, a sophomore in the University of Illinois, recently set a new 220 yard dash mark for the university when he covered the distance in 21.1 seconds.

### Badgers End Season

Wisconsin's track team will wind up its year tomorrow in the Central Intercollegiate meet in Milwaukee. Two or three men only will continue to go to the National collegiate at Berkeley, Calif., June 22.

Low Prices for Wheat  
In 1822 in Ohio, wheat sold for as low as 20 cents per bushel, and in some places, Cleveland for example, for 10 cents. During the World war wheat sold in Ohio at more than \$3 per bushel.

# PALATINE TRACKMEN WIN AT PEKIN

## LEYDEN, WARREN IN PLAYOFF EACH WINS IN FIRST GAME WITH OTHER

First Games of title series end 2-3, 5-4; Playoff on Deerfield Shields Field.

With Leyden and Warren high schools tied for the Northwest conference baseball championship after winning the north and south division leads in the league and each winning one game from the other, the play-off for the trophy was scheduled for 2:30 o'clock yesterday afternoon at Deerfield high school, a neutral field.

Playing at Waukegan May 31, Leyden lost 2-3 to Warren after having taken a 2-1 lead in the first inning, holding it to the seventh.

Monday afternoon at Franklin Park the home team again triumphed when Leyden won 5-4 from Warren with the winning run scored in the last of the seventh inning on a wild pitch by Matusek.

Leyden won the south division lead by twice defeating Arlington Heights, last year's champions, and defeating Ela. Warren took the north division lead after overcoming Wauconda, and also overcoming Antioch who had tough luck with illness.

As far as is known now, the only change in the coaching lineup will be at Palatine where Coach McElroy has taken the place of Coach Megel, winner of three basketball titles in two years. Under McElroy the Palatine track team developed by Megel and headed by Eddie Hahnfeldt has put Palatine on the track map for the first time since the late Ben Grandy stopped throwing the javelin for the Pirates.

Two coaches who deserve their pictures here in this column are John L. Gross of Arlington Heights and A. M. Crawford of Libertyville. We have a picture of Gross, but dare use it only a few times a year—for details see Mr. Gross. Unfortunately, we have no photo of Mr. Crawford.

Track is an individual sport, but the development of the individual is greatly influenced by the coach, and for the consistent development of good trackmen, Gross and Crawford are among the best in the conference. Rohlwing and Steve Szasz are Gross's stars of the current year in new titles, but the rest of the boys are not far behind.

And by the way, our summary of

### VICTORY ENDS SUCCESSFUL YEAR FOR PIRATES

Hahnfeldt surpasses state javelin record, leads mates to first trophy.

By Gerald A. McElroy

Eddie Hahnfeldt and other members of the Palatine track squad climaxed the most successful season in the history of the school by winning the class B championship at the Pekin Relay carnival held Memorial day. The Pirates won two trophies of which one, a full size gold baton, is permanently theirs and the other, a 25 inch affair, must be won three times by the same school.

The Pirates outscored 15 other class B schools with a total of 18 points. The schools of 300 or less students trailing Pal. were Havana 15½, Illinois School for the Deaf 11, Villa Grove 10, Bradford 5, Monticello 5, Lafayette 4, Bath 2, Carrollton 1, Milford 1, and Media ½.

Only three events in the meet were distinctly class B, and it was the ability of Hahnfeldt and Schinkosky to win in open competition which involved 17 class A schools as well as the B schools that gave the Pirates the title. Hahnfeldt won the discus with a throw of 136 feet 10½ inches and copped the javelin throw with a state record breaking heave of 190 feet 1½ inches. Eddie also placed third in the shot put to accumulate 13 of Palatine's 18 points. Schinkosky made his best throw of the year to win fourth in the javelin with 163 feet.

Had the Pirates failed to score in the relays the meet would not have been theirs. The relay team of Engelking, Stroker, Mangels and Waggoner came through with a fifth in the two lap relay and a fourth in the four lap relay to score the points which beat Havana and gave Palatine their first-track championship.

Oak Park nosed out Evanston for class A honors by a count of 33½ to 30 5-6. The winner was not decided until the last event.

Evanston had won the meet on two previous occasions. Other high ranking A schools were Farmington 17½, Pekin 14 ½, Galesburg 14 ½, Edwardsville 13, Kankakee 12 New Trier 9, Glenbard 8 ½, Peoria

### Woodstock Gets Title

Breaking a three-year grip of Crystal Lake upon the McHenry county track and field title, Woodstock this year won the annual contest with 48 points to 43 by the former champs. The victory was won by placing both first and second in the final event of the meet, the broad jump.

Schroeder of Arlington third, and Madden of Libertyville fourth, Szasz was the boy who set the new conference pole vault mark at 11 feet 5½ inches.

Hahnfeldt and Rohlwing are undoubtedly the conference's outstanding athletes of track and field, and by virtue of victories in the state meet, the best in their events in the state. Both are expected to go on to college where after a couple of years we may expect them again coming into the sport headlines.

Here are the complete checked and re-checked conference records corrected to date:

Event	Time or distance	Athlete	School, year
50 yard dash	:05.6	Conway	Libertyville, 1929
		Slusser	Libertyville, 1932
		Pate	Arlington, 1927
100 yard dash	:10.2	Conway	Libertyville, 1929
220 yard (straightaway)	:22.9	Conway	Libertyville, 1929
220 yard (1 turn)	:23.2	Szasz	Arlington, 1935
440 yard dash	:53.1	Rohlwing	Arlington, 1935
880 yard run	:27.2	Rohlwing	Arlington, 1935

Central 7, Peoria Manual 6.  
Libertyville entered a relay team in class A and won fourth in the two lap relay.

Hahnfeldt was high individual scorer of the meet with 13 points as well as being the only man to better an existing record in the field events. At that he broke his own mark of 182 feet in the javelin made last year. His last year's record of 138 feet in the discus still stands. Hahnfeldt had the satisfaction of defeating Faymonville of New Trier for the third straight time this season in the discus. Faymonville last year set a new state record with 139 feet 10 inches, but has been easy for Eddie to beat ever since.

The Palatine boys came home with 12 individual medals in addition to the pair of championship trophies. This makes a total of 40 medals won by Pirate track men the past season. Hahnfeldt heads the list with 16, followed by Mangels with 7 and Schinkosky, Stroker and Waggoner with 4 each.

This was the third trimming of the week for the Klehm team who had been downed 20-11 by Shimmin-Sachs, and 10-5 by Krause's Marketmen. In Tuesday night's game Krause's won again when they defeated the Cafe team 18-18.

**DAHLIAS**

Dahlias are one of our showiest fall flowers and amateurs can be successful if care is used in growing and selection of varieties. Dahlias were originally natives of Mexico and the flowers, as we know them could hardly be identified with the original blossoms.

They were introduced into Europe nearly 200 years ago by a Swedish Botanist named "Dahl," hence the name "Dahlia." Tubers are used as food in Mexico. Coming from tropical climate, they are naturally tender in this climate.

Few plants manifest so strong an inclination to sport and produce new varieties. Growers have also produced many hybrids by the pollination method. By a flower distinctly off color, size or type.

The "American Dahlia Society" have divided the several thousand varieties into 14 classes, but this is entirely too many for the amateur to consider.

The classification which he would be likely to remember would be single, Pompon, cactus and decorative.

The single as its name implies, has a single row of petals, and are not much grown, although many beautiful shades and large flowers are to be had. When grown from seed, probably 95% would be single and possibly less than 1% would be a worth while variety.

The Pompon varieties is the old fashioned ball type, about 2 inches in diameter and are very showy. They are to be had in many colors, are easily grown and produce a wealth of blossoms. They are a good cut flower.

The Cactus type are double flowers, the petals of which curl and look like quills. There are also semi-cactus in which only part of petals curl. Among the finer varieties successfully grown here is Countess of Lonsdale, a beautiful salmon rose color, about 4 inches in diameter and very prolific bloomer.

California Enchantress is a shaded pink, beautiful flower, but poor bloomer and short stem.

Alice Whittier, a primrose yellow, large flowers, and showy plant.

MacGregor, spectrum red with yellow at base of petals, a beautiful plant, but stems are short. Dec-

**Lombard Wins Suit  
Against Collector**

Judgement in the total sum of approximately \$4,500 has been awarded the Village of Lombard by the circuit court of appeals in the village's suit against A. C. Anderson, former village collector, and the Glen Falls Indemnity company.

According to John E. McCoy, Lombard village attorney, this is the first court action involving the right of a village to limit the 2 per cent collection fees of a village collector in Illinois. The sum involved was largely tied up in closed banks, which the collector claimed should be the village's loss and not his.

**Popular Dances  
At Hilltop Barn**

orative type have large flowers and are probably the finest of all. Some varieties will grow 7 feet tall and produce many flowers. Probably more varieties have been propagated from one Mrs. I. de Ver Warner, because of its size. This has given size to a large number of its offspring.

Warner is orchid colored variety, which bears flowers up to 10 inches in diameter, on very long stems and some plants will produce as many as 15 in a season.

Judge Marcan is shaded rose yellow variety and early in the season, the flowers are nearly rose, but later in season the yellow predominates. This variety if not disbudded, will produce a great many flowers. If disbudded, flowers will be much larger.

Quota, a clear white, very evenly formed on stiff stem, fine for cutting and a free bloomer.

Sioux, a dark, velvety red, very large flowers on stiff stems, and a good bloomer.

Bashful Giant, the largest flowered, shaded yellow, evidently ashamed of his size for he always hangs his head and has a poor stem.

Jane Cowl, a magnificent decorative, bronzy buff and old gold blending to a deeper shade toward the center of flower. A free bloomer on stiff stems, very beautiful.

Jersey Beauty, the finest pink in existence, vigorous plant with large lovely pink flowers on good stems. A free bloomer.

Dahlia tubers should not be planted until ground is warm and danger of frost is over. Clumps should be divided so each tuber has at least one good eye. Never plant the whole clump. The tuber supplies only enough food to send plant above ground. Tuber then decays and plant builds up a tuber for the next year.

When above ground remove all but the strongest sprout. Dahlias will grow in poor soil, enjoy clay. Plant 6 inches deep in well prepared soil laying tuber flat. When buds appear, remove all but one bud per shoot and remember that the first flower to open on a plant is the finest, even if you keep the buds cut off until late in season.

Dahlias do not flower until cool weather sets in, in the fall and it

**N-U Commencement  
Will be June 15th**

At the seventy-seventh annual commencement exercises of Northwestern university to be held June 15 in Evanston, 1,150 degrees will be awarded. Lotus D. Coffman, president of the University of Minnesota, will deliver the commencement address.

Alfred E. Pedersen, 514 South State road, Arlington Heights, will be among those receiving the degree of bachelor of science in engineering. Rollins Seabury, 1573 Thacker St., Des Plaines, will receive the degree of master of science in education. The same degree will be received by Clara Klaus, 5218 Brown street, Niles Center, and the degree of juris doctor by Thomas G. Fitzgerald of Willow Road, Northbrook.

**SPECIAL ASSESSMENT NOTICE****Docket No. 92**

Notice is hereby given to all persons interested that the Board of Trustees of the Village of Arlington Heights, having on the petition of the holder of all of the outstanding special assessment bonds issued in the above entitled proceedings, passed an ordinance for the extension of the payment of all unpaid installments and accrued interest thereon of said special assessment, and having filed a petition for that purpose in the County Court of Cook County, and said Court having entered an order on the hearing of said petition ordering the extension of the time of the payment of said unpaid installments of said assessment and the accrued interest thereon, the first of such installments so extended to be due on January 2, 1936, and the last of installments to be due January 2, 1954, and the Court having further ordered that all the outstanding bonds issued against said assessment be refunded by the issuance of new bonds payable out of said installments as extended, and having ordered the preparation of a new assessment roll extending said unpaid installments of said assessment, and said new assessment roll having been filed, the final hearing thereon will be had on the 25th day of June, A. D. 1935, at the hour of 10:00 o'clock A. M. (Daylight Savings Time), or as soon thereafter as the business of the court will permit.

All persons desiring may file objections in said Court before said day and may appear on the hearing.

Said unpaid installments of said assessment will be payable in eighteen installments, with interest at the rate of 6% per annum.

Pated, Arlington Heights, Illinois, June 7, 1935.

CHARLES E. PAVEL,  
Person Appointed to Spread Said Assessment.

## RANDHILL ... THE LARGEST AND FINEST CEMETERY

IN THE NORTHWEST SUBURBS

FOR the past ten years we have been earnestly endeavoring to make Randhill Park one of the outstanding contributions to the civic development of Arlington Heights, Palatine, Barrington, Park Ridge, Des Plaines and contiguous suburbs. The plan of ten years ago, involving an expenditure of hundreds of thousands of dollars, has now become a reality.

Here, on Rand Road, is a Memorial Park Cemetery of which all residents of the northwest suburbs can feel justly proud. Built like a park and maintained like a park, beautiful Randhill has drawn together the beauties of Nature—lawn, trees, shrubs, flowers, water—in an environment that provides a quiet resting place for the departed and a source of loving memories for the living. No unsightly tombstones are permitted—only lawn?high markers. Park beauty is the result.

Magnificent paved roads have recently been completed in Randhill at an additional cost of \$25,000. A scenic fountain has just been installed at large cost. Landscaping, designed by America's foremost architects, is under constant development. Beautiful vistas of rolling terrain, studded with Nature's richest gifts, developed with loving care, make Randhill a scenic spot to be cherished by generations to come.

Randhill operates under perpetual charter. Perpetual care is included with each plot. First cost is the only cost. Choice locations are now available at exceptionally attractive prices. NOTE: Present prices are certain to advance. The development of Randhill, inflation and other factors indicate rising prices. By selecting a burial estate in Randhill today you will save money. Easy terms. Visit Randhill, on Rand Road, Arlington Heights, . . . or phone Arlington Heights 7021-J and a representative will call.

### Board Considers Audit of Funds in Three Hour Session Monday Night

The board of trustees of the Village of Arlington Heights had a busy and lengthy session Monday night. Among the many matters under consideration was the annual audit for which two outside firms have submitted bids. During the discussion Trustee Krause inquired of E. F. Laurin the details regarding the overpayment in interest that was made to the big sewer contractor. Mr. Laurin gave the following facts:

"A voucher covering the balance due Spencer, White & Prentiss on its contract was issued April 4, 1931, in the amount of \$242,877.23. A partial payment of \$192,500.00 in bonds and \$377.23 in cash was made on account of this voucher on May 4, 1931. The balance of this voucher together with an additional award of \$149,830 was paid on December 7, 1934, at which time the accrual of interest on the partial payment of bonds was not considered.

"The last audit of the Village records cover up to September 20, 1934. An audit of the Village records for the period after September 30, 1934, would naturally take up in this transaction and reveal the overpayment. The overpayment was uncovered now because of the fact that Spencer, White & Prentiss are having a monthly audit made of the big sewer accounts for their own information, and the audit for the month of December, 1934, naturally picked up this transaction.

"No blame should accrue to the Village Treasurer, since this transaction was started through a former Treasurer and in the customary method of handling such vouchers, he would have no reason to consider such interest accrual."

Mr. Laurin offered a bid of \$350 for auditing the books of the village for the period since the audit of last fall to the end of the fiscal year. The prices of the two other auditing firms were higher. Definition of audit will be taken June 17.

**Bristol Sale of Vehicle Tags**

The report of the police department showed a brisk sale of vehicle tags. Through the use of courtesy cards the licenses issued up to June 3 totalled 789 passenger cars and 66 trucks. Dog licenses now total 96. Dreyer Electric Co. has promised that the new traffic control box would be in place within the next few days. Chairman Schneberger reported that regular police stars had been issued to Frank Gieseke and Ira Melbourne and special police stars to Messrs. Whittemore, Heimsoth, Conger, Martens, Rehling and Landeck, which action was approved by the board. Announcement of other special police will be made at the next meeting of the board.

The water department reported the collection of \$265.51 in delinquent water rentals since the last meeting of the board.

The report of engineer of the treatment works reveals that there is very little pollution. The finance committee recommended for payment bills totaling \$1549.53.

A letter was read from a security firm, calling attention to the fact that delinquent general bonds of the village can be refunded and offering their services in the matter. No action was taken.

Permission was granted for a flower tag day on June 15 for the benefit of the blind.

Attorney Thal read letters from the PWA regarding bonds that were to be cancelled as part of the additional grant due to the village.

Approval was given to payment of a \$1500 engineer's estimate for work on West Campbell street roadway.

At an adjourned meeting held Tuesday evening and attended by a representative of the Arlington jockey club an agreement was entered into regarding the treatment of sewage from the race track for a period of years. The yearly payment will be much greater than originally suggested and has a sliding scale, from \$2,000 a race season down to \$500.

All construction work will be done with the approval of the village engineer at no expense to the village.

### Many Move to New Homes at Arlington

May has been a big moving month in Arlington Heights. Changes in addresses and new residents are as follows:

Alfred Goseh from North Dunton to 629 S. Highland.  
Chas. Othmer to 210 So. State road.

Math. Reiffert to 124 So. State road.

W. N. Bush to Elmhurst, Ill.

Fred L. Wallace from Scarsdale to Vail-Davis bldg.

Max Renspie to 1004 N. Mitchell.  
Fred Shield, 629 So. Highland.

Arthur Geiffert to 921 N. Highland.

Ray Chambers to 920 N. Prince-ton, Arlington Park.

Willard Voss, to So. Vail.

F. J. Lama to 211 Carlisle Place.

Rohwing, Allen, Schneberger, Kopplin, Heide, Scolaro, Mueller. Third row—Horcher, M. Masny, Pingel, W. Busse, Weisgerber, Annen, Heiman, Dearie, Grismer.

### Resident of Wheeling 80 Years, Dies

Mr. Jacob Harth, 80 years old and a resident of Wheeling township practically all of his life died Tuesday, June 4, from an illness of several months. The funeral will be held Friday afternoon from the home, 309 East Euclid St., at 2:30 p.m. and from there to the Presbyterian church. Interment will be in the local cemetery.

Mr. Harth was born in Wheeling Feb. 27, 1855. He married Miss Carrie Volz Jan. 28, 1885. He was engaged in farming near Wheeling and Long Grove until his retirement in 1917 when he moved to the village of Arlington Heights.

He is survived by his wife, two sons, Edward and Elmer, 5 grandchildren, 2 brothers, Mrs. Lydia Rauscher and Mrs. Ralph Hearn, of Chicago.

### Anne M. Oah is First Arlington June Bride

Miss Anne M. Oah, eldest daughter of Mr. and Mrs. Alex Oah, 605 So. Highland avenue, has the honor of being the first June bride in Arlington Heights. She was wed Saturday in Des Plaines to Raymond E. Gross, followed by a wedding supper at the home of the groom's parents. Mr. and Mrs. Gross will reside in Chicago. The groom is engaged in business at Edison Park. The bride has the best wishes of Arlington Heights last week, but still the smashups continue.

The police department asked the opinion of the board Monday evening as to what should be done. Trustee Klehm was quick to say, "why blame the tree?" A statement was made by the police that had all of the seven accidents that had occurred were due to either sleepiness or intoxication. The installation of new signs was discussed and the police department was asked to take the matter up with the highway department. The board stood the removal of the tree would not prevent an auto who is asleep or who has had too much to drink from leaving the pavement at that point.

Alumni Band Concert Friday

The last concert to be given this spring by the High School Band, will take place Friday evening, June 7, at 8 o'clock and will be held in Sargent Square, just south of the depot. A large number of former band members who have graduated in the last few years, have been invited by Mr. D. G. Costain, the director, to play with the band for this last program.

Good crowds have attended the other concerts, and if weather conditions are ideal a record attendance is expected for this attractive program.

Good fortune was granted for a flower tag day on June 15 for the benefit of the blind.

Attorney Thal read letters from the PWA regarding bonds that were to be cancelled as part of the additional grant due to the village.

Approval was given to payment of a \$1500 engineer's estimate for work on West Campbell street roadway.

At an adjourned meeting held Tuesday evening and attended by a representative of the Arlington jockey club an agreement was entered into regarding the treatment of sewage from the race track for a period of years. The yearly payment will be much greater than originally suggested and has a sliding scale, from \$2,000 a race season down to \$500.

All construction work will be done with the approval of the village engineer at no expense to the village.

Many Move to New Homes at Arlington

May has been a big moving month in Arlington Heights. Changes in addresses and new residents are as follows:

Alfred Goseh from North Dunton to 629 S. Highland.

Chas. Othmer to 210 So. State road.

Math. Reiffert to 124 So. State road.

W. N. Bush to Elmhurst, Ill.

Fred L. Wallace from Scarsdale to Vail-Davis bldg.

Max Renspie to 1004 N. Mitchell.

Fred Shield, 629 So. Highland.

Arthur Geiffert to 921 N. Highland.

Ray Chambers to 920 N. Prince-ton, Arlington Park.

Willard Voss, to So. Vail.

F. J. Lama to 211 Carlisle Place.

### Arlington High Track Squad Keeps Up Its Good Record; Letter, Numeral Men Listed

Arlington kept up its good record again this year by winning the Northwest Conference meet for the second consecutive time. Also they have been undefeated for a number of years other than at the state district meet and by Maine high of Des Plaines. Maine eked out a one point victory over Arlington this year for their lone dual defeat. Led by Capt. Schroeder, they have been one of the best working squads at the local school.

The big trio of Schroeder, Szasz, and Rohwing will be missed greatly. They have scored points in practically every meet they have entered the past two years, and most of the time they have between them accounted for over 30 points per meet.

A list of letter and numeral winners for the past year at Arlington are also announced. These lads won two of the major championships in the conference this year annexing the football championship last fall.

### Vehicle Tag Drive Nets 14 First Afternoon

After giving Arlington Heights motorists nearly three days of grace before the "dead line" June 1, when tagless autos would be tagged by the police, Officer Skoog tagged 14 cars Monday afternoon.

Over fifty licenses were purchased by motorists on Tuesday. Immediate presentation of the arrest tags at the village office and purchase of tag, relieves the motorist of an appearance in court.

Judge Kloepfer, newly elected police magistrate was among the spectators at the village board meeting, Monday evening and when given the opportunity by Mayor Flentie to address the board, assured the body that he desired to cooperate to the fullest extent with the board and would be glad to adopt a definite policy with the police department. Mr. Kloepfer was told by the mayor that there would be cooperation on all sides. The police magistrate assured the board that his docket book would be open for inspection at any and all times and that regular reports would be formally presented at stated intervals.

Mr. and Mrs. Herman F. Meyn announce the marriage of their daughter, Vanetta, to Mr. Preston Winkelman, Saturday, June 15, at 6:30 p.m. in the St. Paul's Lutheran church, Mt. Prospect.

Judge Kloepfer, newly elected police magistrate was among the spectators at the village board meeting, Monday evening and when given the opportunity by Mayor Flentie to address the board, assured the body that he desired to cooperate to the fullest extent with the board and would be glad to adopt a definite policy with the police department. Mr. Kloepfer was told by the mayor that there would be cooperation on all sides. The police magistrate assured the board that his docket book would be open for inspection at any and all times and that regular reports would be formally presented at stated intervals.

Now with the summer season coming on, one wears light clothes, and becomes uncomfortably warm and perspires. That condition, and the needless dirt in your car, make the immaculate appearance of your summer apparel impossible; nor is it healthily to sit in that dirt when the pores of your body are open.

Stop in and see this wonderful new Electrolux Service. It will interest you, as well as enlighten you as to the dirt condition in your car. No car is free of it, so don't let your conscience keep you from availing yourself of my equipment.

## Arlington Theater Air Conditioning Plant Ready

Arlington Theatre is being air conditioned. This 500-seat movie house, with this last installation, takes its place in modern equipment with the largest theatres in the middle west. This was the promise that the manager, Bruce Godshaw made when he came to Arlington Heights. He is fulfilling that promise.

Mr. Godshaw has previously installed sound equipment, the equal of that found in the large city theatres, projection machines especially constructed for ease of vision and special equipment for those hard of hearing.

The new ventilating system means that approximately twenty cubic feet of healthy air for each seat will be constantly streamlined into the auditorium. A new 2-inch water line will bring in 65 gallons of 54 temperature water per minute. Copper buffers will baffle and purify the intake which is then passed into 14,000 pounds of chilled a-roofined circular alloy coils having a temperature of less than 49 degrees enhanced by a frigid ice bath.

The air is picked up here by a large blower and passed over huge cakes of manufactured ice then over a series of warmed coils to take off the chill and then into pressed wood ducts running the full length of the auditorium on both sides. The purified and cooled air will be distributed through automatically controlled grills and will blow in smoothly and without any disconcerted blasts.

The hearing will be June 21. The original injunction gave the village a year in which to do something before the matter, but appeals which carried the matter to the supreme court automatically extended that time. The higher court upheld the injunction. Barrington's application for a loan from the public works administration has not yet been acted upon by the PWA.

All men who are serving as village trustee or village president, or who have served in either of these capacities at Barrington since 1931 when the village was enjoined from emptying sewage into Flint creek have been summoned to appear in Lake county circuit court to show reasons why they should not be held in contempt of court for not complying with the restraining order.

Copper buffers will baffle and purify the intake which is then passed into 14,000 pounds of chilled a-roofined circular alloy coils having a temperature of less than 49 degrees enhanced by a frigid ice bath.

The air is picked up here by a large blower and passed over huge cakes of manufactured ice then over a series of warmed coils to take off the chill and then into pressed wood ducts running the full length of the auditorium on both sides. The purified and cooled air will be distributed through automatically controlled grills and will blow in smoothly and without any disconcerted blasts.

The hearing will be June 21. The original injunction gave the village a year in which to do something before the matter, but appeals which carried the matter to the supreme court automatically extended that time. The higher court upheld the injunction. Barrington's application for a loan from the public works administration has not yet been acted upon by the PWA.

All men who are serving as village trustee or village president, or who have served in either of these capacities at Barrington since 1931 when the village was enjoined from emptying sewage into Flint creek have been summoned to appear in Lake county circuit court to show reasons why they should not be held in contempt of court for not complying with the restraining order.

The new ventilating system means that approximately twenty cubic feet of healthy air for each seat will be constantly streamlined into the auditorium. A new 2-inch water line will bring in 65 gallons of 54 temperature water per minute. Copper buffers will baffle and purify the intake which is then passed into 14,000 pounds of chilled a-roofined circular alloy coils having a temperature of less than 49 degrees enhanced by a frigid ice bath.

### CHICAGO PIANIST OPENS CLASS HERE

Leonard Gay, young Chicago pianist and teacher, is opening a music class in Arlington Heights this summer.

Mr. Gay received his musical education in Chicago under Rudolph Ganz and Edward Collins, has won numerous scholarships, and a grand piano as prize, playing with the Minneapolis Symphony Orchestra; also has toured as concert pianist.

Mr. Gay has appeared on a number of programs here as piano soloist and as Mrs. Miles accompanist.

For appointments and information, telephone Mrs. Miles at Arlington Heights 707 or write Mr. Gay at 913 Irving Park boulevard, Chicago, Ill.

DO YOU HAVE A RUSH printing order? Just tell us about it and we'll get it out promptly. It will be the kind of job you planned on too, and reasonably priced. H. C. Paddock & Sons.

H. L. Hagenbring Is Appointed Sup. Deputy W. O. S. of Northern Ill.

The appointment of Henry Hagenbring, P. W. O. S. as supreme deputy for Northern Illinois of the Order, White Shrine of Jerusalem was officially announced at the meeting of Arimathaea Shrine at Des Plaines.

It is the first time in the history of the Shrine that an important supreme appointment has been bestowed upon one of its members.

Arimathaea, proud of this Soj. so honored, gave a splendid reception for Soj. Henry Hagenbring at Corinthian hall, Des Plaines.

A reception for his wife, Agnes, the new W. H. P. and Supreme Matron of Honor and Soj. Emery Wagner, the new W. O. S. and Supreme King's guard was also held at that time.

Distinguished visitors attending this reception were notably Soj. Jean Haines Terry P. S. W. H. P. and Soj. Jos. E. Boyle, P. S. W. O. S. who paid a surprise visit and Soj. Veta Olson, F. W. H. P. of Mata Natha, who was elected supreme Worthy Guide at the Cleveland convention.

The officers were complimented on their splendid work by Soj. Veta Olson, S. W. G.

Dainty refreshments were served at the close of the meeting. At the next meeting, June 12, a banquet will be served at 6 o'clock in honor of Supreme W. H. P. Rose M. Reid, followed by a ceremonial.

The tickets for the banquet are 50 cents. Reservations must be made not later than June 10 with Soj. W. H. P. 675-W. Blanche Niehaus, Tel. Des P. 675-W.

## ALCONQUIN CUBS DOWN RED WINGS ON HOME FIELD

Meyer charged with 6-4 defeat; Colored Nine Will Play at Arlington Sunday.

Sunday the Algonquin Cubs nosed out the Arlington Red Wings 6-4. W. Meyer is charged with his first defeat of the season, he being relieved by Diederich in the sixth inning. Meyer pitched a nice game, but Algonquin bunched their hits in the third and sixth innings for five runs which meant victory for them. From that point on Dietrich allowed four hits on which one run.

The Red Wings seemed too anxious when batting and were popping up lazy fly balls which were easily taken care of by the fielders despite the strong wind that was blowing from the southwest. The hits by Algonquin were made when they were needed to drive a runner around the bases, and some of these were of the Texas League nature. Only one of the errors made by the Red Wings cost the team a run and that was the sixth and final run made by the Cubs.

Next Sunday, the Red Wings will play Peters Union Giants at the Red Wing Ball park. This team is made up of colored men and is the best yet of all teams to play at the south side park. These players have a strong reputation.

My only criticism of the greens was that some were clipped much shorter than others and the fuzzy ones played havoc with one's putting. All in all the course is an interesting one and if in the vicinity I suggest that you try it out. No doubt it is in much better shape now than when I played it.

### Glenbard Is Champ

Piling of 44½ points, Glenbard high school's track team won the West Suburban championship. York high of Elmhurst was second with 40½ points followed by Hinsdale, 18; LaGrange, 14½; Maine of Des Plaines, 14½; West Chicago, 12½; Downers Grove, 7; Riverside, 2½.

### Golfing About

with  
Gerald  
A.  
McElroy

The course I wish to comment on this week is the Bartlett Hills, 18 hole daily fee club located just off Lake Street (U. S. 20) a little west of the town of Bartlett.

Manager E. H. Goes told me I had picked a rather bad day to play because the rain and hot weather had brought all the dandelions into bloom though they were cut rather close. We found that his statements were true but did enjoy a good 18 holes of golfing. Bartlett is very hilly and the grass is none too thick on the fairways. Last year's drought killed much of it but did not phase the dandelions. We found the last nine to be in much the best condition.

The Red Wings seemed too anxious when batting and were popping up lazy fly balls which were easily taken care of by the fielders despite the strong wind that was blowing from the southwest. The hits by Algonquin were made when they were needed to drive a runner around the bases, and some of these were of the Texas League nature. Only one of the errors made by the Red Wings cost the team a run and that was the sixth and final run made by the Cubs.

Next Sunday, the Red Wings will play Peters Union Giants at the Red Wing Ball park. This team is made up of colored men and is the best yet of all teams to play at the south side park. These players have a strong reputation.

### Lombard Sprinter

Bobby Grieve of Lombard, a sophomore in the University of Illinois, recently set a new 220 yard dash mark for the university when he covered the distance in 21.1 seconds.

Wisconsin's track team will wind up its year tomorrow in the Central Intercollegiate meet in Milwaukee. Two or three men only will continue to go to the National collegiate at Berkeley, Calif., June 22.

Low Prices for Wheat

In 1822 in Ohio, wheat sold for as low as 20 cents per bushel, and in some places, Cleveland for example, for 10 cents. During the World War wheat sold in Ohio at more than \$3 per bushel.

Badgers End Season

# PALATINE TRACKMEN WIN AT PEKIN

## LEYDEN, WARREN IN PLAYOFF EACH WINS IN FIRST GAME WITH OTHER

First Games of title series end 2-3, 5-4; Playoff on Deerfield Shields Field.

With Leyden and Warren high schools tied for the Northwest conference baseball championship after winning the north and south division leads in the league and each winning one game from the other, the play-off for the trophy was scheduled for 2:30 o'clock yesterday afternoon at Deerfield Shields high school, a neutral field.

Playing at Waukegan May 31, Leyden lost 2-3 to Warren after having taken a 2-1 lead in the first inning, holding it to the seventh.

Monday afternoon at Franklin Park the home team again triumphed when Leyden won 5-4 from Warren with the winning run scored in the last of the seventh inning, holding it to the seventh.

Leyden won the south division lead by twice defeating Arlington Heights, last year's champions, and defeating Ela. Warren took the north division lead after overcoming Wauconda, and also overcoming Antioch who had tough luck with illness.

### Midget Auto Races Draw 5,000 Fans

Thrills galore and many surprises, even to "Pepper" Martin, star of the world champion St. Louis Cardinals riding in a match race, officially opened the midget auto racing season Monday night at Sparta stadium, Cermak road and Kostner avenue, before a capacity crowd of 5,000 racing enthusiasts.

### Headquarters For WASH FROCKS

Fresh new crop of the smartest wash frocks that we have ever offered at these low prices. Prints, brocades, check-dots and many other novelties. Sizes 14 to 54.

Pure Silk Chiffon Hosiery. Full-fashioned, irregular 2 pair for \$1

You know that you can buy a beautiful silk dress for \$2.95 and that we have a wonderful assort of Slips, Corsets, Girdles, Pajamas, Gowns, etc.

### SPORTS FROM THE SIDE LINES

By Art Wildhagen

Another Northwest conference sports year has drawn to a close, medals and letters have been given to the boys, and victory cups are in the trophy cases of the schools. Looking back we find:

Football champions, Arlington Heights, 6 victories, 0 defeats. Basketball tournament, won by Libertyville 39-36 from Leyden. Basketball championship won by Palatine and Bartington, defeated only by each other, each won 11 games, lost 1. Track championship won by Arlington Heights with 51 points.

Next fall when the 1935-36 school year and sports season opens the Northwest conference will enter into a new period of its existence. The two new schools, Grant of Fox Lake and Lake Forest will be full-fledged members of the loop, although they will not take part in the football schedule which had been arranged this winter before the new schools were admitted. The basketball season will see the Bulldogs of Grant and the un-nick-named as yet Lake Foresters become competitors for conference trophies. The season will also be the tryout of a new basketball schedule which will pit each school against all the others once, instead of meeting some twice and others not at all as in the past.

As far as is known now, the only change in the coaching lineup will be at Palatine where Coach McElroy has taken the place of Coach Megel, winner of three basketball titles in two years. Under McElroy the Palatine track team developed by Megel and headed by Eddie Hahnfeldt has put Palatine on the track map for the first time since the late Ben Grandy stopped throwing the javelin for the Pirates.

Two coaches who deserve their pictures here in this column are John L. Grose of Arlington Heights and A. M. Crawford of Libertyville. We have a picture of Grose, but dare use it only a few times a year—for details see Mr. Grose. Unfortunately, our files have no photo of Mr. Crawford.

Track is an individual sport, but the development of the individual is greatly influenced by the coach, and for the consistent development of good trackmen, Grose and Crawford are among the best in the conference. Rohlwing and Steve Szasz are Grose's stars of the current year in new titles, but the rest of the boys are not far behind.

And by the way, our summary of

the conference meet, published in this paper last week, seems to have gotten a little messed up because of the introduction of a new hurdle event which caused a mixup in our report of the 220 yard low hurdles and the 220 yard dash. The 220 yard low hurdles were won by Niebuhr of Arlington with Harlan of Libertyville second, Franzen of Libertyville third, and Stroker of Palatine fourth. The time was 27.9 seconds. The 220 yard dash was won by Szasz of Arlington with Morris of Libertyville second,

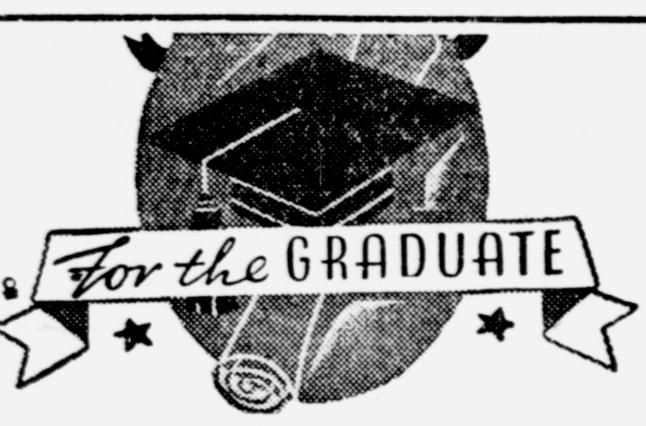

and Morris of Libertyville third, with Rohlwing of Arlington with 51.4 seconds.

Schroeder of Arlington third, and Madden of Libertyville fourth. Szasz was the boy who set the new conference pole vault mark at 11 feet 5 1/4 inches.

Hahnfeldt and Rohlwing are undoubtedly the conference's outstanding athletes of track and field, and by virtue of victories in the state meet, the best in their events in the state. Both are expected to go on to college where after a couple of years we may expect them again coming into the sport headlines.

Here are the complete checkers and re-checked conference records corrected to date:

Event	Time or distance	Athlete	School, year
50 yard dash	:05.6	Conway	Libertyville, 1929
		Slusser	Libertyville, 1932
		Pate	Arlington, 1927
100 yard dash	:10.2	Conway	Libertyville, 1929
220 yard (straightaway)	:22.9	Conway	Libertyville, 1929
220 yard (1 turn)	:23.2	Szasz	Arlington, 1925
440 yard dash	:53.1	Rohlwing	Arlington, 1925
880 yard run	2:07.2	Rohlwing	Arlington, 1935
Mile run	4:46.8	Willard	Libertyville, 1923
220 yd. hurdles (str'tway)	:27.8	Forde	Arlington, 1930
220 yd. hurdles (1 turn)	:29.9	Meyer	Palatine, 1932
120 yd. high hurdles	:19.1	Niebuhr	Arlington, 1935
Pole vault	11 feet, 5 1/4 inches	Niebuhr	Arlington, 1935
High jump	5 feet, 8 inches	Szasz	Arlington, 1935
Broad jump	20 feet, 11 inches	J. Ray	Libertyville, 1935
Shot put	52 feet, 8 1/2 inches	R. Ray	Libertyville, 1935
Discus throw	135 feet, 9 1/2 inches	Burnett	Libertyville, 1932
Javelin throw	187 feet, 11 inches	Hahnfeldt	Palatine, 1935
Half mile relay	1:35.5		Libertyville, 1935

### VICTORY ENDS SUCCESSFUL YEAR FOR PIRATES

Hahnfeldt surpasses state javelin record, leads mates to first trophy.

By Gerald A. McElroy

Eddie Hahnfeldt and other members of the Palatine track squad climaxed the most successful season in the history of the school by winning the class B championship at the Pekin Relay carnival held Memorial day. The Pirates won two trophies of which one, a full size gold baton, is permanently theirs and the other, a 25 inch affair, must be won three times by the same school.

The Pirates outscored 15 other class B schools with a total of 18 points. The schools of 300 or less students trailing Pal, were Havana 15 1/2, Illinois School for the Deaf 11, Villa Grove 10, Bradford 5, Monticello 5, Lafayette 4, Bath 2, Carrollton 1, Milford 1, and Media 1.

Only three events in the meet were distinctly class B, and it was the ability of Hahnfeldt and Schinkosky to win in open competition which involved 17 class A schools as well as the B schools that gave the Pirates the title. Hahnfeldt won the discus with a throw of 136 feet 10 inches and coppered the javelin throw with a state record breaking heave of 190 feet 1 1/2 inches. Eddie also placed third in the shot put to accumulate 13 of Palatine's 18 points. Schinkosky made his best throw of the year to win fourth in the javelin with 163 feet.

Had the Pirates failed to score in the relays the meet would not have been theirs. The relay team of Engelking, Stroker, Mangels and Waggoner came through with a fifth in the two lap relay and a fourth in the four lap relay to score the points which beat Havana and gave Palatine their first track championship.

Oak Park nosed out Evanston for class A honors by a count of 33 1/2 to 30 5-6. The winner was not decided until the last event, Evanston had won the meet on two previous occasions. Other high ranking A schools were Farmington 17 1/2, Pekin 14 1/2, Galesburg 14 1/2, Edwardsville 13, Kankakee 12 New Trier 9, Glenbard 8 1/2, Peoria

Central 7, Peoria Manual 6. Libertyville entered a relay team in class A and won fourth in the two lap relay.

Hahnfeldt was high individual scorer of the meet with 13 points as well as being the only man to better an existing record in the field events. At that he broke his own mark of 182 feet in the javelin made last year. His last year's record of 138 feet in the discus still stands. Hahnfeldt had the satisfaction of defeating Faymonville of New Trier for the third straight time this season in the discus. Faymonville last year set a new state record with 139 feet 10 inches, but has been easy for Eddie to beat ever since.

The Palatine boys came home with 12 individual medals in addition to the pair of championship trophies. This makes a total of 40 medals won by Pirate track men during the past season. Hahnfeldt heads the list with 16, followed by Mangels with 7 and Schinkosky, Stroker and Waggoner with 4 each.

This was the third trimming of the week for the Klehm team who had been downed 20-11 by Shimmin-Sachs, and 10-5 by Krause's Marketmen. In Tuesday night's game Krause's won again when they defeated the Cafe team 18-13.

Standings W. L. Pet.  
Arlington Theater 3 0 1.000  
Roehler Motor 3 0 1.000  
Shimmin-Sachs 2 0 1.000  
Krause Market 2 2 .500

Question  
Box ....**

**DAHLIAS**  
Dahlia are one of our showiest flowers and amateurs can be successful if care is used in growing and selection of varieties. Dahlias were originally natives of Mexico and the flowers, as we know them could hardly be identified with the original blossoms.

They were introduced into Europe nearly 200 years ago by a Swedish Botanist named Dahl, hence the name "Dahlia." Tubers are used as food in Mexico. Coming from tropical climate, they are naturally tender in this climate.

Few plants manifest so strong an inclination to sport and produce new varieties. Growers have also produced many hybrids by the pollination method. By a flower distinctly off color, size or type.

The "American Dahlia Society" have divided the several thousand varieties into 14 classes, but this is entirely too many for the amateur to consider.

The classification which he would be likely to remember would be single, Pompon, cactus and decorative.

The single as its name implies, has a single row of petals, and are not much grown, although many beautiful shades and large flowers are to be had. When grown from seed, probably 95% would be single and possibly less than 1% would be a worth while variety.

The Pompon varieties is the old fashioned ball type, about 2 inches in diameter and are very showy.

They are to be had in many colors, are easily grown and produce a wealth of blossoms. They are a good cut flower.

The Cactus type are double flowers, the petals of which curl and look like quills. There are also semi-cactus in which only part of petals curl. Among the finer varieties successfully grown here is Countess of Lonsdale, a beautiful salmon rose color, about 4 inches in diameter and very prolific bloomer.

California Enchantress is a shaded pink, beautiful flower, but poor bloomer and short stem.

Alice Whittier, a primrose yellow, large flowers, and showy plant.

MaeGregor, spectrum red with yellow at base of petals, a beautiful plant, but stems are short. Dec-

**Lombard Wins Suit  
Against Collector**

Judgement in the total sum of approximately \$4,500 has been awarded the Village of Lombard by the circuit court of appeals in the village's suit against A. C. Anderson, former village collector, and the Glen Falls Indemnity company.

According to John E. McCoy, Lombard village attorney, this is the first court action involving the right of a village to limit the 2 per cent collection fees of a village collector in Illinois. The sum involved was largely tied up in closed banks, which the collector claimed should be the village's loss and not his.

**Popular Dances  
At Hilltop Barn**

Guy Colby who has opened Hilltop Barn on Lake street for strictly old time dances on Saturday nights, will also have popular dances on Sunday nights, beginning Sunday, June 9. Music will be furnished by that popular orchestra, Ray's Cornhuskers.

**Lake Zurich Opened**

With the payment of \$600 raised through the efforts of a committee of nearby property owners, Lake Zurich has been opened to the public for the summer. The payment was made to the owners of the lake, whose rights were upheld after a long fight which finally went to the supreme court.

Quota, a clear white, very evenly formed on stiff stem, fine for cutting and a free bloomer.

Sioux, dark, velvety red, very large flowers on stiff stems, and a good bloomer.

Bashful Giant, the largest flowered, shaded yellow, evidently ashamed of his size for he always hangs his head and has a poor bloom.

Jane Cowl, a magnificent decorative, bronzy buff and old gold blending to a deeper shade toward the center of flower. A free bloomer on stiff stems, very beautiful.

Jersey Beauty, the finest pink in existence, vigorous plant with large lovely pink flowers on good stems. A fine bloomer.

Dahlia tubers should not be planted until ground is warm and danger of frost is over. Clumps should be divided so each tuber has at least one good eye. Never plant the whole clump. The tuber supplies only enough food to send plant above ground. Tuber then decays and plant builds up a tuber for the next year.

When above ground remove all but the strongest sprout. Dahlias will grow in poor soil, enjoy clay. Plant 6 inches deep in well prepared soil laying tuber flat. When buds appear, remove all but one bud per shoot and remember that the first flower to open on a plant is the finest, even if you keep the buds cut off until late in season.

Dahlias do not flower until cool weather sets in, in the fall and it

is well to fertilize with a little bone meal shortly before this time.

Dahlias should be staked well early in season to prevent being broken by high winds. Good luck to dahlia growers.

The screen portion of the program is headed by Damon Runyon's "Hold 'Em Yale," a story which brings to life the colorful Times Square figures who made such a drawing card of "Lady For A Day," and "Little Miss Marker." "Hold 'Em Yale" is centered about a bunch of mugs who muscle in at college, and involve themselves with football, rah rah boys and campus cuties. Warren Hymer, Caesar Romero and others are featured.

# Early Summer Footwear

## Cool, Comfortable Footwear for the Family

### WHITE SHOES . . . for Afternoon, Evening or Sports Wear!

New in design . . . light in weight . . . and in patterns for every occasion, from swank sports styles to light airy fashions for your gay summer frocks.

**\$ 1 95**  
to  
**\$ 4 95**

Every wanted style color and material to choose from—all sizes and widths.

### Gay Young Shoes for the 'Teen Age' Miss!

A complete selection of the right patterns, colors and leather for both dress-up and sports wear.

**\$ 1 95**  
to  
**\$ 3 95**

Sizes to 7—all widths

Styled and priced to "go places." Low heel patterns . . . specially designed for growing girls' feet but also worn by many young women who appreciate their comfort and admire their style.

**150 Pairs  
White  
Shoes  
Special at  
\$1**

**\$ 2 50  
to  
\$ 4 95**

P. S.—White will be bigger than ever this summer and we have them!

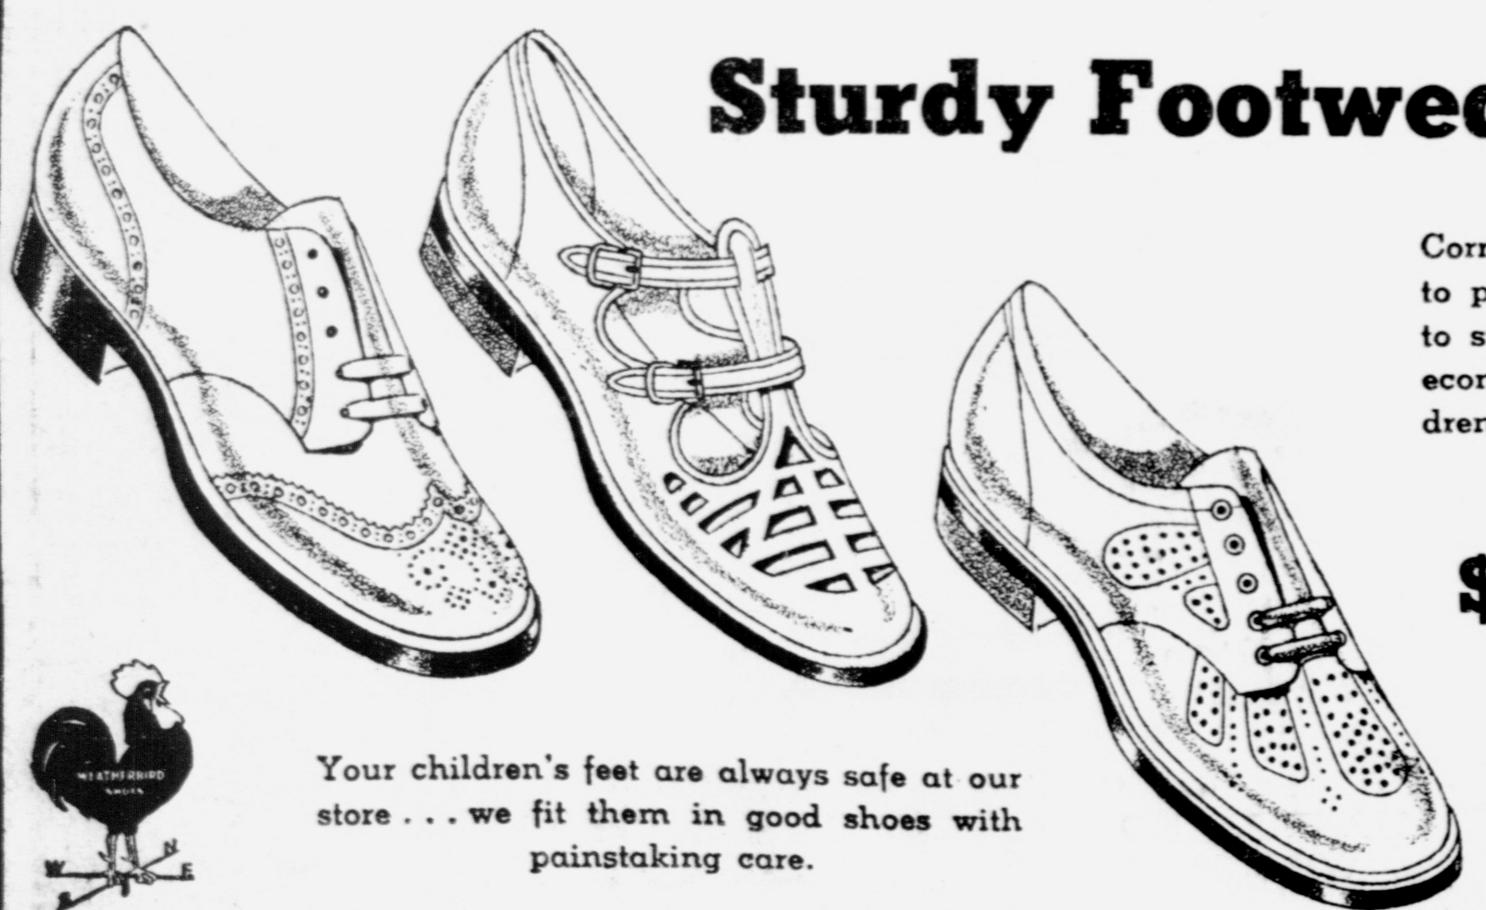

Carried in full runs of sizes and widths to assure you a perfect fit.

### You Won't Find Better Boys Shoes Anywhere for the Money . . .

**\$ 1 95**  
to  
**\$ 3 95**

Sizes to 5½

Summer styles . . . in lasts and leathers just as smart as Dad's, and they're sturdily made to stand long, hard wear.

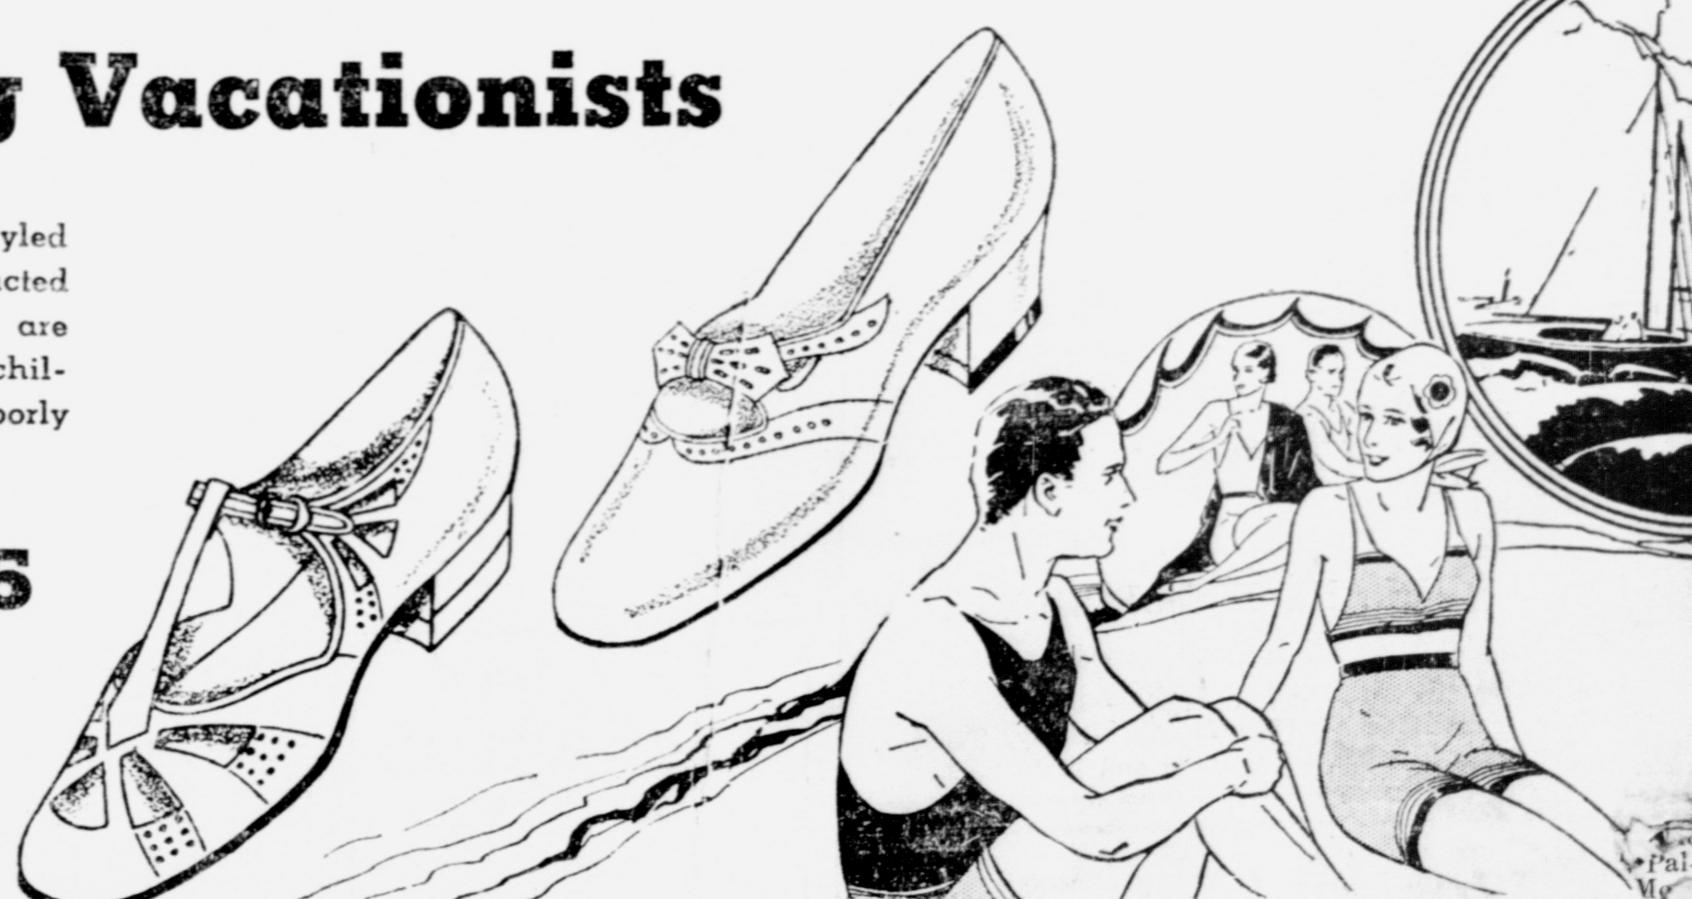

### Sturdy Footwear for Young Vacationists

Correct shoes for warm weather wear. Styled to please the kiddies . . . all leather constructed to stand hard usage . . . and at prices that are economical. Good shoes safeguard your children's feet. Don't ruin them with cheap, poorly made footwear.

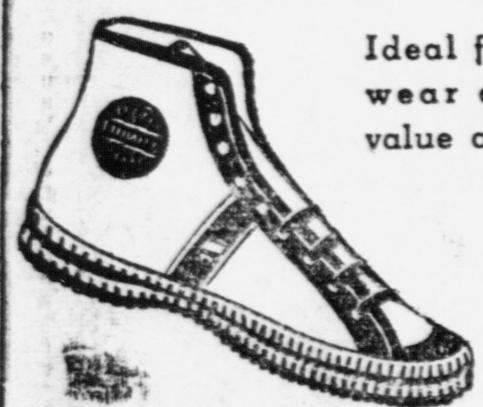

**\$1**      **\$3 95**

Sizes for infants, misses and little boys. Prices vary according to size and grade

### Tennis Special

Ideal for vacation wear and a real value at this price.
